## PROFILE

I'm Dheeraj, a passionate full-stack developer focused on building modern, high-performance web and mobile applications with intuitive user experiences. I specialize in Python, working with frameworks like FastAPI and Django, along with Flutter for frontend development. I focus on creating scalable, efficient, and user-friendly solutions while following clean coding practices. I'm continuously expanding my skills in Artificial Intelligence, Machine Learning, and real-time technologies to build smarter, impactful digital products that help users and businesses grow.

## WORK EXPERIENCE

FREELANCE FULL STACK DEVELOPER
